

LIOMALT

**Complete
Malt Extract
line**

LIOTÉCNICA

**Nature's power in
each ingredient.**

Produced from whole grains of barley and malt, the malt extract is a rich and tasteful natural ingredient, which adds sweetness, flavor, and texture to a vast variety of food and beverages.

Developed in a fully automated facility, certified by FSSC 22000 and free from additives, LIOMALT is also the perfect ingredient for the production of clean label products.

Pastry

Supplements

Benefits

Sensory:

- ✓ Natural sweetener derived from whole grains.
- ✓ Covers undesirable notes, enhancing and rounding out the flavor.
- ✓ Provides a malty flavor for the applications, depending on the amount used.

Technological:

- ✓ Favors Maillard reaction, providing a uniform golden color.
- ✓ Enhances the smoothness in bread-making processes.
- ✓ Enhances the crispiness in biscuits and cereals.
- ✓ Supports the fermentation process.

Nutritional:

- ✓ Provides better nutritional support if compared to other sweeteners.
- ✓ Contains distinctive metabolization sugars, generating a quick energetic response.
- ✓ Contains proteins, vitamins, minerals, and antioxidant compounds, originating from whole grains.
- ✓ Applicable as a partial replacement for sugar.
